

Establish A Living Legacy. . .

The Town of Manchester is pleased to announce its Memorial Tree Planting Program. For a minimum donation of **\$25** you may mark births, deaths, anniversaries, graduations and other significant life events with a tree planting.

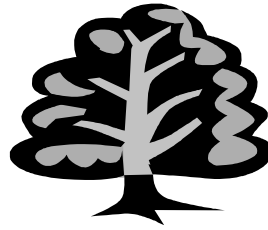

The Town has created a special Memorial Tree fund dedicated exclusively to this purpose. Contributions are held in the fund until sufficient funds are available for purchase of trees. The current market price for a single tree is estimated at \$250.

The Customer Service Center, in conjunction with the Parks Department will administer the program from its Town Hall office, 41 Center Street, Manchester, tel. 647-5235.

The tree warden, in turn, will select the location, species of tree and schedule of plantings. No plaques or other signage will be placed on or near trees due to maintenance concerns.

The Customer Service Center will mail donor acknowledgement cards and notify the public when plantings have occurred. For more information, contact the CSIC at the phone number listed above or email via the *Citizen Request System* at <http://www.ci.manchester.ct.us/>.
