Manchester Opens Registration for Manchester Government Academy

Manchester, CT – The Town of Manchester is now accepting registration for the Manchester Government Academy Fall 2017 Class. In an effort to provide the public with a hands-on opportunity to learn about the inner workings of local government, in the fall of 2002, the Town of Manchester developed the Manchester Government Academy.

Government Academy will consist of a series of interactive sessions, Academy participants will get an inside look at the municipal operations covering everything from public safety to the public library.

The Academy will feature a lively blend of demonstrations, presentations, and tours, all conducted in a casual format at numerous sites throughout the Town. Participants can expect to come away with a heightened awareness and knowledge of local government operations as well as a greater understanding of how to get involved in local affairs.

The nine-week Manchester Government Academy class will begin on Thursday, September 7, 2017 and will conclude with a graduation ceremony on Thursday, November 9, 2017. The sessions are free and held mostly on Thursday evenings with a few exceptions; anyone living or working in Manchester are welcome to apply.

While seating is limited, applications received first will be given preference.

If you have any questions, please feel free to give one of the Academy Co-Coordinators a call Tricia M. Catania, at (860) 647-3102 or Lisa Fusco at (860) 647-3092.

Detailed program brochures and registration information is available online at www.townofmanchester.org by clicking one of the links: Latest News, Press Releases, or Human Resources – Government 101. Information can be picked up at Town Hall Human Resources Department or Customer Service Center. For more information contact one of the Academy Co-Coordinators Tricia M. Catania, 860-647-3102 or Lisa Fusco, (860) 647-3092.
