

Construction Notice

The Connecticut Department of Transportation is announcing the temporary road closure of the I-384 WB Route 6/44 off ramp. This closure is necessary for the installation of a Sanitary Sewer Extension across the Route 6/44 Off Ramp/Morancey Road in the Town of Bolton, CT. Detour Signs will be posted. Motorists will not be able to use the Rte. 6/44 Off Ramp/Morancey Road, in the Town of Bolton, between the hours of 6:00 am Saturday, April 14 through 6:00 am Monday, April 16, 2018.

DETOUR INFORMATION: From Coventry heading west on Route 44 and from Bolton/Andover heading west on Route 6, motorists will be directed to follow I-384 WB to Exit 4 in Manchester, turn right on Highland Street, take a right at the traffic light (intersection of Highland Street and Spring Street), take a left onto I-384 EB. Take Exit 5 from I-384 EB, at the end of the ramp, take a left over the Rte. 85 Bridge (Bolton Center Road) continue on Bolton Center Road and take a right at the intersection of the junction of Rte. 6/44 (Bolton Center Road and Boston Turnpike). Access to local businesses will be maintained.
