

## Bistro on Main - Temporary Pop-Up Patio

The Town of Manchester is partnering with the Downtown Special Services District and a local restaurant to host a temporary pop-up patio over the next few weeks. During that time three on-street parking spaces will be utilized as outdoor dining space in front of the Bistro on Main restaurant. This pilot project is made possible through the support of the Capitol Region Council of Governments, and will coincide with national [PARK\(ing\) Day](#) on September 21, a day in which communities are encouraged to reimagine parking spaces in creative ways.

For more information, contact the Planning and Economic Development Department at 860-647-3044 or Bistro on Main at (860) 432-5267.
