

## **Open House at Public Works**

As part of National Public Works Week (NPWW), the Town of Manchester Public Works Department will be hosting an open house on Wednesday, May 22 from 9:00 A.M. – 12:00 P.M.

The idea behind NPWW is to energize and educate the public on the importance of public works to their daily lives: planning, building, managing, and operating at the heart of our local community to improve the everyday quality of life. We hope you can join us for a family fun event with info booths, touch-a-truck, paint a plow and more!
