**RSVP is seeking volunteers age 55+ -
volunteer for just one (1) hour per week when
needed!**

The Community Renewal Team's Retired Senior Volunteer Program is now seeking volunteers age 55+ to serve in our signature program, READs, for the 2018-19 school year as substitutes.

The RSVP READs Program is operated as a school-based program in Manchester where we have volunteers are partnered with students in local elementary schools, providing reading guidance for 1 hour per week from October-May of the school year. RSVP READs tutors make reading interesting, fun, and act as positive role models, inspiring their students to read. However, sometimes, they need a week off for their own appointments, travel, etc. That's where our substitutes step in to help out.. **Meaning you're merely on an email/call list if someone is unable to make their 1 hr week commitment.**

As a READs RSVP Tutor, we can promise you that you will truly make a difference in the lives of the students you touch. So, why not choose to volunteer today and share your love of reading with the children in your community? So, **contact Theresa Strong, RSVP Manager of the Community Renewal Team, to join us for this very beneficial volunteer engagement opportunity – Email- strongt@crtct.org OR Call - (860) 519-3484.**
