

Emergency of Hunger Food Drive

The Ambulance Service of Manchester is holding our 12th annual “Emergency of Hunger Food Drive” this coming weekend. We are hoping that you can help us to get the word out for this event. Everything collected will benefit local food pantries. This year we found a new partner with Harbor Chase at Evergreen Walk. Ambulance Service of Manchester is working with Manchester Area Conference of Churches, Molly Devanney and Highland Park Market, Manchester Police, Police Explorers, South Windsor Police and South Windsor Rotary Club and the South Windsor Fire Department. We will be collecting for the upcoming Thanksgiving Holliday so turkeys, chickens, non-perishable food items, cash and gift cards are desperately needed.
