**September 11 Remembrance Ceremony**

Today’s traditional September 11 Remembrance Ceremony at The Manchester Firefighters’ Memorial Garden could not be held this year in order to protect the health and safety of members of the public and fire department personnel.

Although we won’t have a live ceremony, The National Day of Remembrance is extremely important to us and we felt that we must acknowledge the day in some fashion.

We produced a video that we’d like to share with you this morning that commemorates the important events of September 11, 2001.

The video is currently available on Silk City TV on Demand and is scheduled to air on our live feed this morning at 8:53am.
