

The Town of Manchester's Farmers market season, which includes the Spruce Street Farmers Market and the inaugural Northwest Park Farmers Market, is set to kick off on June 2.

The fifth-annual Spruce Street Farmers Market will run on Wednesdays, June 2 through August 11 from 4:30 PM-7:30 PM at Market Field, 153 & 163 Spruce Street. The Northwest Park Farmers Market will then kick off its season on Wednesdays, August 18 through October 6 from 4:30 PM-7:30 PM at Northwest Park, 448 Tolland Turnpike.

In addition to serving as a source for local foods, both farmers markets accept EBT and WIC payments. Both markets will also double the value of SNAP purchases up to \$10 (spend \$10 using your EBT card to receive an additional \$10 to spend on fresh produce).

Vendor selections are thoughtfully curated to include diverse foods and business owners; with products including: fresh fruits & vegetables, gluten-free baked goods, vegan offerings, CT food trucks and artisans.
